Director's Report

- Waiting on the weather to start cleaning up the aquatic center which opens May 28.
- Campground hosts will arrive this week and stay for three months.
- Spoke to American Ramp Company and the skate park elements are coming a month early so install is scheduled for mid to late May.
- Numerous park cleanups are going on this weekend. City staff will be cleaning Arnold's park next Wednesday at noon. P&R Board members are invited to attend.
- Graffiti wall needs one more week to cure before we can seal it. Thanks again to Justin for suggesting the Bricklayers Association students could help us build this.
- Working on a possible land exchange between Anson and Bicentennial Parks.
- Hoping to do a prescribed fire at the Rice Grass Nature Park next week to set back the invasive species before plotting out a walking trail.
- Talking about the possibility of managing the AEA pool for the AEA Foundation.
- We will try to get together and paint a mural at the skate park in the next few weeks.

Meeting adjourned at 4:50 pm. Next meeting is May 16 at Mega-10 Park.
