RE: Special Use Permit  
502 N 12<sup>th</sup> Ave – Lot Improvements  
Marshalltown, Iowa  
PN: 5833.03

---

Commission & Board Members:

Enclosed is a Special Use Permit Application (w/ accompanying conceptual site plan, application fee, and legal description) for the property located at 502 N 12<sup>th</sup> Ave, in Marshalltown. The property is currently zoned 'R-5 High Density Residential' and most recently served as an apartment complex with attached gymnasium until storm damage caused significant damage. The City of Marshalltown deemed and posted the building as a Dangerous Building in August of 2020. Previously this lot and building served as a school building for the Marshalltown Community School District and as a child care center for Marshall County Child Care Services. Swift Pork Company acquired the property in November of 2020 and demolition of the dangerous building is currently underway.

In accordance with the City's Code of Ordinance, Chapter (§) 156.142, the R-5 zoning designation allows the lot to be used for parking lot purposes through obtaining a Special Use Permit. Enclosed with the application is a conceptual site plan for full build out of a parking lot to serve as employee parking for the JBS Pork – Marshalltown facility. This lot is adjacent to an existing parking lot, located within the same R-5 zoned District. It is the intent that the build-out will be done in phases, constructing additional parking from the west side of the lot to the east side of the lot. The primary purposes and goals of the project are to:

1. Free up on-street parking currently used by JBS employees for use by non-JBS employees, such as the residents and visitors of the surrounding residential area.
2. Provide additional parking for the Facility to address a parking shortage that occurs during shift changes.

Sincerely,
