Explanation of significant increases in the budget:

The regular and emergency levies primarily pay for increased costs of wages, utilities, maintenance agreements, etc. During the pandemic, Transit received CARES ACT funding, but now the levy needs to be restored to a level to support the daily operations. Property insurance is expected to increase by 12% in FY22, so the same increase has been budgeted for FY23. Health insurance increased by 10% in calendar year 2022, so the same increase was budgeted for calendar year 2023.
