**TO:** Mayor Greer and City Council  
**FROM:** Geoff Hubbard, Park & Recreation Director  
**DATE:** 09/6/2022  
**RE:** Elks Park Project Change Order 2

**Policy Issue:** Council approval of contract change order.

<input type="checkbox"/> Goal 1: Expand and improve development	<input type="checkbox"/> Goal 3: Continually improve the City's organization & services
<input checked="" type="checkbox"/> Goal 2: Enhance Marshalltown's public image	<input type="checkbox"/> Goal 4: Partner with others to improve quality of life

**Specific Objective/Action:**

Objective 2: Design and construct capital projects which enhance the aesthetics of the community.

**Recommendation:** Staff is recommending approval of the change order of \$6,036.10 to ConStruct Inc for the additional concrete needed to better transition the handicap parking spot with the current road grade.

**Budget Impact:** This will add \$6,036.10 to the budget but is still within the overall budget for the project.

**Description/Background:** When ConStruct started to install the parking space section of the project, the length of the space created a significant dip on the road. 8' feet was added to both ends of the space to create a better transition and less of a dip making for a better drivable street on 3<sup>rd</sup> Street.
