RE: Street Department – Authorization for Vehicle Purchases; 2023 Chevy Silverado 3500

Policy Issue: City purchasing policy requires City Council to approve all motor vehicle purchases.

<input type="checkbox"/> Goal 1: Expand and improve development	<input checked="" type="checkbox"/> Goal 3: Continually improve the City's organization & services
<input type="checkbox"/> Goal 2: Enhance Marshalltown's public image	<input type="checkbox"/> Goal 4: Partner with others to improve quality of life

Specific Objective/Action: Objective 2: Develop comprehensive plans for City infrastructure and improvements. *(Maintaining a street department fleet so we are able to maintain and improve city infrastructure.)*

Recommendation: Recommend authorizing this street department vehicle in the amount of \$49,965.60.

Budget Impact: The city had budgeted \$60,000 for a new 1 Ton Dump Body out of RUT Funds (Fund 110) in FY23. After additional discussions internally we have determined that a flatbed, non-dump will serve the needs of the street department.

The truck purchase (for authorization tonight) has a total sales price of \$49,965.60. *Due to fleet pricing, purchasing of a truck with regular bed and doing the flat bed after the purchase is the most advantageous to the city. City staff estimate an additional \$11,000 to outfit the truck with appropriate safety lights, a flat bed, and running boards that will be done after the purchase.*

At this time our existing flatbed truck is still needed to be kept for use with our pavement painting equipment until the new paint striper truck, which was authorized for purchase in December of 2021, comes in. At that time, street department will rotate a 1999 and 2006 truck around to pull our patch wagon and have one spare that will be evaluated and designated surplus, if appropriate, at that time.

Description/Background:

This is a government fleet vehicle for a 1 Ton Diesel Crew Cab Truck for use within the street department.

This fleet vehicle pricing is based on the State of Iowa, DOT, and Regents – 2023 Model Year Vehicle Contract Catalog as released 08/19/22. Karl Chevrolet does hold the current state bid for 1 Ton Chevrolet Silverado 3500, Crew Cab, 4x4, Diesel (Body Code CK30943).
