NOW, THEREFORE, Be It Resolved by the City Council of the City of Marshalltown, Iowa, as follows:

Section 1. It is hereby determined that the City shall enter into the Agreement with the Lender. The Agreement shall be in substantially the form as has been placed on file with the City and shall provide for a loan (the “Loan”) to the City in the amount of \$13,125,000, for the purpose as set forth in the preamble hereof.

The Mayor and City Clerk are hereby authorized and directed to sign the Agreement on behalf of the City, and the Agreement is hereby approved.

Section 2. The Bonds are hereby authorized to be issued in evidence of the obligation of the City under the Agreement, in the aggregate principal amount of \$13,125,000, to be dated the date of delivery to or upon the direction of the Lender, and bearing interest from the date of each advancement made at the rate of 1.75% per annum pursuant to the Agreement, until payment thereof, as set forth in Exhibit A attached to the Agreement.

The Bonds may be in the denomination of \$1,000 each or any integral multiple thereof and, at the request of the Lender, shall be initially issued as a single bond in the denomination of \$13,125,000 and numbered R-1.

The City Clerk is hereby designated as the Registrar and Paying Agent for the Bonds and may be hereinafter referred to as the “Registrar” or the “Paying Agent.”

Payment of the principal of and interest on the Bonds and premium, if any, shall be payable at the office of the Paying Agent to the registered owners thereof appearing on the registration books of the City. All such payments, except full redemption, shall be made to the registered owners appearing on the registration books at the close of business on the fifteenth day of the month next preceding the payment date. Final payment of principal shall only be made upon surrender of the Bond or Bonds to the Paying Agent.

In addition to the payment of principal of and interest on the Bonds, the City also agrees to pay the Initiation Fee and the Servicing Fee (defined in the Agreement) in accordance with the terms of the Agreement.

The Bonds shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor and attested with the official manual or facsimile signature of the City Clerk, and shall be fully registered bonds without interest coupons. The issuance of the Bonds and the amount of the Loan advanced thereunder shall be recorded in the office of the City

Treasurer, and the certificate on the back of each Bond shall be executed with the official manual or facsimile signature of the City Treasurer. In case any officer whose signature or the facsimile of whose signature appears on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Bonds shall be fully registered as to principal and interest in the names of the owners on the registration books of the City kept by the Registrar. Each Bond shall be transferable without cost to the registered owner thereof only upon the registration books of the City upon presentation to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Bonds shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

The Bonds are subject to optional redemption by the City at a price of par plus accrued interest (i) on any date with the prior written consent of the Lender, or (ii) in the event that all or substantially all of the Project is damaged or destroyed. Any optional redemption of the Bonds by the City may be made from any funds regardless of source, in whole or from time to time in part, in inverse order of maturity upon not less than thirty (30) days' notice of redemption by e-mail, facsimile, certified or registered mail to the Lender (or any other registered owner of the Bonds). The Bonds are also subject to mandatory redemption as set forth in Section 5 of the Agreement.

All of the Bonds and the interest thereon, together with the Outstanding Bonds and any additional obligations as may be hereafter issued and outstanding from time to time ranking on a parity therewith under the conditions set forth herein (which additional obligations are hereinafter sometimes referred to as "Parity Obligations"), shall be payable solely from the Net Revenues of the Utility and the Sinking Fund hereinafter referred to, both of which are hereby pledged to the payment of the Bonds. The Bonds shall be a valid claim of the owners thereof only against said Net Revenues and Sinking Fund. None of the Bonds shall be a general obligation of the City, nor payable in any manner by taxation, and under no circumstances shall the City or the Utility be in any manner liable by reason of the failure of the Net Revenues of the Utility to be sufficient for the payment in whole or in part of the Bonds and the interest thereon.

Section 3. The Bonds shall be executed as herein provided as soon after the adoption of this resolution as may be possible and thereupon they shall be delivered to the Registrar for registration and delivery to the Lender, upon receipt of the loan proceeds (the "Loan Proceeds"), and all action heretofore taken in connection with the Agreement is hereby ratified and confirmed in all respects.

Section 4. The Bonds shall be in substantially the following form:

This Bond is one of a series of bonds (the “Bonds”) issued by the City to evidence its obligation under a certain Loan and Disbursement Agreement, dated the date hereof (the

“Agreement”) entered into by the City for the purpose of providing funds to pay a portion of the cost of planning, designing and constructing improvements and extensions (the “Project”) to the Municipal Sanitary Sewer System of the City (the “Utility”).

The Bonds are also subject to mandatory redemption as set forth in Section 5 of the Agreement.

The Bonds are not general obligations of the City but, together with the City’s outstanding Sewer Revenue Bonds, Series 2013, dated June 18, 2013; Sewer Revenue Refunding Bond, Series 2020, dated January 8, 2020; Sewer Revenue Refunding Bonds, Series 2021, dated April 1, 2021; Sewer Revenue Improvement and Refunding Bond, SRF Series 2021A, dated September 24, 2021; and any additional obligations as may be hereafter issued and outstanding from time to time ranking on a parity therewith under the conditions set forth in the Resolution, are payable solely and only out of the future Net Revenues (as defined in the Resolution) of the Utility of the City, a sufficient portion of which has been ordered set aside and pledged for that purpose. This Bond is not payable in any manner by taxation, and under no circumstances shall the City be liable by reason of the failure of the said Net Revenues to be sufficient for the payment of this Bond and the interest thereon.

This Bond is fully negotiable but shall be fully registered as to both principal and interest in the name of the owner on the books of the City in the office of the Registrar, after which no transfer shall be valid unless made on said books and then only upon presentation of this Bond to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form hereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The City, the Registrar and the Paying Agent may deem and treat the registered owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the City, the Registrar and the Paying Agent shall not be affected by any notice to the contrary.

Section 5. The Loan Proceeds shall be held by the Lender and disbursed for costs of the Project, as referred to in the preamble hereof. The City will keep a detailed segregated accounting of the expenditure of the Loan Proceeds.

Section 6. So long as any of the Bonds, the Outstanding Bonds or any Parity Obligations are outstanding, the City shall continue to maintain the Utility in good condition and the Utility shall continue to be operated in an efficient manner and at a reasonable cost as a revenue producing undertaking. The City shall establish, impose, adjust and provide for the collection of rates to be charged to customers of the Utility, including the City, to produce gross revenues (the “Gross Revenues”) at least sufficient to pay the expenses of operation and maintenance of the Utility, which shall include salaries, wages, cost of maintenance and operation, materials, supplies, insurance and all other items normally included under recognized accounting practices (but does not include allowances for depreciation in the valuation of physical property) (which such expenses are hereinafter sometimes referred to as the “Operating Expenses”) for the next fiscal year, and to leave a balance of net revenues (the “Net Revenues”) equal to at least 120% of the amount of annual payments of principal and interest on all of the Bonds, the Outstanding Bonds and any Parity Obligations outstanding from time to time, as the same become due, and to maintain a reasonable reserve for the payment of such principal and interest, as hereinafter provided. From and after the date on which the Series 2020 Bond and the Series 2021 Bonds have been paid (or the payment thereof provided for) and are no longer outstanding, the coverage percentage in the preceding sentence shall be reduced from 120% to 110% unless a higher percentage is required by any resolutions authorizing the issuance of Parity Obligations.

Section 7. The provisions, covenants, undertakings and stipulations for the operation of the Utility and for the collection, application and use of the Gross Revenues and income from such operation, as set forth in the Outstanding Bond Resolutions shall inure and appertain to the Bonds to the same extent and with like force and effect as if herein set out in full, except only insofar as the same may be inconsistent with this resolution.

Nothing in this resolution shall be construed to impair the rights vested in the Outstanding Bonds. The amounts herein required to be paid into the various funds hereafter named shall be inclusive of said payments required with respect to the Outstanding Bonds. The provisions of the Outstanding Bond Resolutions and the provisions of this resolution are to be construed whenever possible so that the same will not be in conflict. In the event such construction is not possible, the provisions of the resolution first adopted shall prevail until such time as the obligations authorized by such resolution have been paid or otherwise satisfied as therein provided, at which time the provisions of this resolution shall again prevail.

The provisions of the Series 2013 Bonds, the Series 2020 Bond and the Series 2021 Bonds with respect to the issuance of Parity Obligations are hereby recognized, and it is hereby found, determined and declared that the officially reported Net Revenues of the Utility for the last preceding fiscal year prior to the issuance of the Bonds were equal to at least 120% of the maximum amount of principal and interest that will become due in any subsequent year during the life of the Bonds and the Outstanding Bonds.

Section 8. From and after the issuance of the Bonds, the Gross Revenues of the Utility shall continue to be set aside into the City's Sewer Revenue Fund ("Sewer Revenue Fund") created under the Outstanding Bond Resolutions. The Sewer Revenue Fund shall be used in maintaining and operating the Utility, and after payment of the Operating Expenses shall, to the extent provided in this resolution and the Outstanding Bond Resolutions, be used to pay the principal of and interest on the Bonds, the Outstanding Bonds and any Parity Obligations, and to create and maintain the several separate funds hereinafter described.

Section 9. The provisions in and by the Outstanding Bond Resolutions, whereby there has been created and is to be maintained a Sewer Revenue Bond Sinking Fund (herein referred to as the "Sinking Fund"), and for the payment into said fund from the Net Revenues of the Utility such portion thereof as will be sufficient to pay the interest on and principal of the Outstanding Bonds, are all hereby ratified and confirmed, and all such provisions shall inure and constitute the security for the payment of the interest on and principal of the Bonds hereby authorized as may be outstanding from time to time; provided, however that on the first day of each month of each year, the minimum amount to be set aside, in addition to the amounts required to be set aside in the Outstanding Bond Resolutions, and paid into the Sinking Fund shall be not less than as follows:

Commencing on February 1, 2023 and continuing to and including May 1, 2023, an amount equal to 1/4th of the installment of interest coming due on June 1, 2023, and thereafter, commencing on June 1, 2023, and continuing to final maturity, an amount equal to 1/6th of the installment of interest coming due on the next succeeding interest payment date on the then outstanding Bonds, plus an amount equal to 1/12th of the installment of principal coming due on such Bonds on the next succeeding principal payment date until the full amount of such installment is on deposit in the Sinking Fund.

Money in the Sinking Fund shall be used solely for the purpose of paying principal of and interest on the Bonds, the Outstanding Bonds and any Parity Obligations as the same shall become due and payable. Whenever Parity Obligations are issued under the conditions and restrictions hereinafter set forth, provisions shall be made for additional payments to be made into the Sinking Fund for the purpose of paying the interest on and principal of such Parity Obligations.

If at any time there should be a failure to pay into the Sinking Fund the full amount above stipulated, then an amount equivalent to the deficiency shall be paid into the Sinking Fund from the Net Revenues of the Utility as soon as available, and the same shall be in addition to the amount otherwise required to be so set apart and paid into the Sinking Fund.

No further payments need be made into the Sinking Fund when and so long as the amount therein is sufficient to retire all of the Bonds, the Outstanding Bonds and any Parity Obligations then outstanding which are payable from the Sinking Fund and to pay all interest to become due thereon prior to such retirement, or if provision for such payment has been made.

All of such payments required to be made into the Sinking Fund shall be made in equal monthly installments on the first day of each month, except that when the first day of any month

shall be a Sunday or legal holiday, then such payments shall be made on the next succeeding secular day.

Section 10. The provisions in and by the Outstanding Bond Resolutions, whereby there has been created and is to be maintained a special fund to be known and designated as the Surplus Fund into which there shall be set apart and paid all of the Net Revenues remaining after first making the required payments into the Sinking Fund are all hereby ratified and confirmed. All money credited to the Surplus Fund shall be transferred and credited to the Sinking Fund whenever necessary to prevent or remedy a default in the payment of the principal of or interest on the Bonds, the Outstanding Bonds and any Parity Obligations.

As long as the Sinking Fund has the full amounts required to be deposited therein by the Outstanding Bond Resolutions and this resolution, any balance in the Surplus Fund may be expended by the City in such manner as the Council, or such other duly constituted body as may then be charged with the operation of the Utility, may from time to time direct.

Section 12. All money held in any fund, account or sub-account created or to be maintained under the terms of this resolution shall be deposited in lawful depositories of the City or invested in accordance with Chapters 12B and 12C of the Code of Iowa and continuously held and secured as provided by the laws of the State of Iowa relating to the depositing, securing, holding and investing of public funds. All interest received by the City as a result of investments under this section shall be considered to constitute Gross Revenues of the Utility and shall be deposited in or transferred to the Sewer Revenue Fund and used solely and only for the purposes specified herein for such funds.

Section 13. The City hereby covenants and agrees with the owner or owners of the Bonds, the Outstanding Bonds and any Parity Obligations, or any of them, that from time to time may be outstanding, that it will faithfully and punctually perform all duties with reference to the Utility required and provided by the Constitution and laws of the State of Iowa, that it will segregate the Gross Revenues of the Utility and make application thereof in accordance with the provisions of this resolution and that it will not sell, lease or in any manner dispose of the Utility or any part thereof, including any and all extensions and additions that may be made thereto, until all of the Bonds, the Outstanding Bonds and any Parity Obligations shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment of the Bonds, the Outstanding Bonds and any Parity Obligations and interest thereon in full; provided, however, that the City may dispose of any property which in the judgment of the Council, or such duly constituted body as may then be charged with the operation of the Utility, is no longer useful or profitable in the operation of the Utility nor essential to the continued operation thereof and when the sale thereof will not operate to reduce the revenues to be derived from the operation of the Utility.

Section 14. Upon a breach or default of a term of the Bonds, the Outstanding Bonds or any Parity Obligations, the Outstanding Bond Resolutions and this resolution, a proceeding may be brought in law or in equity by suit, action or mandamus to enforce and compel performance of the duties required under the terms of this resolution and Division V of Chapter 384 of the Code of Iowa or an action may be brought to obtain the appointment of a receiver to take possession of

and operate the Utility and to perform the duties required by this resolution and Division V of Chapter 384 of the Code of Iowa.

Section 15. The Bonds, the Outstanding Bonds or any Parity Obligations shall not be entitled to priority or preference one over the other in the application of the Net Revenues of the Utility regardless of the time or times of the issuance of the Bonds, the Outstanding Bonds or any Parity Obligations, it being the intention that there shall be no priority among the Bonds, the Outstanding Bonds or Parity Obligations, regardless of the fact that they may have been actually issued and delivered at different times. The City hereby covenants and agrees that so long as the Bonds, the Outstanding Bonds or any Parity Obligations are outstanding and unpaid, no bonds or other obligations payable from the Net Revenues of the Utility will be issued except upon the basis of such bonds or obligations being subject to the priority and security for payment of the Bonds, the Outstanding Bonds or any Parity Obligations then outstanding; provided, however, that the City reserves the right and privilege of issuing Parity Obligations in order to pay the cost of improvements and extensions to the Utility or for refunding any bonds or obligations payable from the Net Revenues of the Utility, but only if the officially reported Net Revenues of the Utility for the last preceding fiscal year prior to the issuance of such Parity Obligations (with adjustments as hereinafter provided) were equal to at least 120% of the maximum amount of principal and interest that will become due in any subsequent year during the life of the Bonds, the Outstanding Bonds and any Parity Obligations then outstanding, for the Bonds, the Outstanding Bonds and any Parity Obligations then outstanding and the Parity Obligations then proposed to be issued.

The amount of Gross Revenues of the Utility may be adjusted for the purpose of the foregoing computations by an independent consulting engineer or financial consultant not a regular employee of the City, so as to reflect any revision in the schedule of rates and charges being imposed at the time of the issuance of any such Parity Obligations.

Obligations issued to refund the Bonds, the Outstanding Bonds or any Parity Obligations shall not be subject to the foregoing restrictions, provided the Bonds, the Outstanding Bonds or Parity Obligations being refunded will be redeemed within three (3) months of the date of such refunding, and the issuance of the refunding obligations will not cause an increase in the annual debt service requirements during the life of the Bonds, the Outstanding Bonds or Parity Obligations then outstanding which are not being refunded but otherwise any Parity Obligations shall only be issued subject to the restrictions of this resolution.

From and after the date on which the Series 2013 Bonds, the Series 2020 Bond and the Series 2021 Bonds have been paid in-full (or the full payment thereof provided for), the provisions of the Series 2013 Bond Resolution, the Series 2020 Bond Resolution and the Series 2021 Bond Resolution with respect to the issuance of additional Parity Obligations shall no longer apply, and the City may issue Parity Obligations without meeting the requirements set forth in this Section 15. Upon such occurrence, the City reserves the right and privilege of issuing Parity Obligations.

Section 16. The City agrees that so long as the Bonds, the Outstanding Bonds or any Parity Obligations remain outstanding, it will maintain insurance for the benefit of the owners of the Bonds, the Outstanding Bonds and any Parity Obligations on the insurable portions of the

Utility of a kind and in an amount which usually would be carried by private companies or municipalities engaged in a similar type of business. The proceeds of any insurance, except public liability insurance, shall be used to repair or replace the part or parts of the Utility damaged or destroyed. The City will keep proper books of record and account, separate from all other records and accounts, showing the complete and correct entries of all transactions relating to the Utility, and the owners of the Bonds, the Outstanding Bonds or any Parity Obligations shall have the right at all reasonable times to inspect the Utility and all records, accounts and data of the City relating thereto.

Section 17. The provisions of this resolution shall constitute a contract between the City and the owners of the Bonds and any Parity Obligations as may from time to time be outstanding, and after the issuance of the Bonds, no change, variation or alteration of any kind of the provisions of this resolution shall be made which will adversely affect the owners of the Bonds or any Parity Obligations until all of the Bonds, the Outstanding Bonds and any Parity Obligations and the interest thereon shall have been paid in full, except as hereinafter provided.

The owners of a majority in principal amount of the Bonds and any Parity Obligations at any time outstanding (not including in any case any obligations which may then be held or owned by or for the account of the City, but including such obligations as may be issued for the purpose of refunding any of the Bonds, the Outstanding Bonds or Parity Obligations if such obligations shall not then be owned by the City) shall have the right from time to time to consent to and approve the adoption by the City of a resolution or resolutions modifying or amending any of the terms or provisions contained in this resolution; provided, however, that this resolution may not be so modified or amended in such manner as to:

- (a) Make any change in the maturity or redemption terms of the Bonds or Parity Obligations.
- (b) Make any change in the rate of interest borne by any of the Bonds or Parity Obligations.
- (c) Reduce the amount of the principal payable on any Bonds or Parity Obligations.
- (d) Modify the terms of payment of principal or interest on the Bonds or Parity Obligations, or any of them, or impose any conditions with respect to such payment.
- (e) Affect the rights of the owners of less than all of the Bonds or Parity Obligations then outstanding.
- (f) Reduce the percentage of the principal amount of the Bonds or Parity Obligations, the consent of the owners of which shall be required to effect a further modification.

Whenever the City shall propose to amend or modify this resolution under the provisions of this section, it shall cause notice of the proposed amendment to be (1) filed with the Lender

and (2) mailed by certified mail to each registered owner of any Bond or Parity Obligation as shown by the records of the Registrar. Such notice shall set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory resolution is on file in the office of the City Clerk.

Whenever at any time within one year from the date of the mailing of said notice, there shall be filed with the City Clerk an instrument or instruments executed by the owners of at least a majority in aggregate principal amount of the Bonds and any Parity Obligations outstanding at the time of the adoption of such amendatory resolution specifically consenting to the adoption thereof as herein provided, no owner of any Bonds or Parity Obligations shall have any right or interest to object to the adoption of such amendatory resolution or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the City from taking any action pursuant to the provisions thereof.

Any consent given by the owners of a Bond or Parity Obligation pursuant to the provisions of this section shall be irrevocable for a period of six (6) months from the date of such consent and shall be conclusive and binding upon all future owners of the same Bond or Parity Obligation during such period. Such consent may be revoked at any time after six (6) months from the date of such consent by the owner who gave such consent or by a successor in title, but such revocation shall not be effective if the owners of a majority in aggregate principal amount of the Bonds and Parity Obligations outstanding as in this section defined shall have, prior to the attempted revocation, consented to and approved the amendatory resolution referred to in such revocation.

The fact and date of the execution of any instrument under the provisions of this section may be proved by the certificate of any officer in any jurisdiction, who by the laws thereof is authorized to take acknowledgments of deeds within such jurisdiction, that the persons signing such instrument acknowledged before such officer the execution thereof, or may be proved by an affidavit of a witness to such execution sworn to before such officer.

In furtherance thereof the City covenants to comply with the provisions of the Internal Revenue Code as they may from time to time be in effect or amended and further covenants to comply with applicable future laws, regulations, published rulings and court decisions as may be necessary to insure that the interest on the Bonds will remain excluded from gross income for federal income tax purposes. Any and all of the officers of the City are hereby authorized and directed to take any and all actions as may be necessary to comply with the covenants herein contained.

Section 19. If any section, paragraph, clause or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this resolution.

File No. 422742-49

Dear Alicia:

We have prepared and attach proceedings to be used at the January 9, 2023 City Council meeting to enable the Council to adopt the resolution (the “Resolution”) approving the Sewer Revenue Loan and Disbursement Agreement (the “Agreement”) and providing for the issuance of the Sewer Revenue Bond, Series 2023 (the “Bond”).

The proceedings attached include the following items:

1. Minutes of the January 9, 2023 meeting providing for the adoption of the Resolution. The form of Bond, Treasurer’s Certificate and Assignment are included as part of the Resolution but need not be completed or executed as they are adopted only as to form.
2. Certificate attesting to the transcript.
3. Establishment and non-litigation certificate with respect to the Sewer Utility.

Also attached, please find the Agreement for execution by you and the Mayor. Please print a copy of the Agreement, and have it executed as indicated. After the Agreement has been signed, please return it to us so that we can have it signed on behalf of the Iowa Finance Authority, after which we will furnish you with a fully executed copy for the City’s records.

In addition, we have prepared and attach the Bond. Please have the Bond signed as indicated, and return it to us so that we can deliver it to the lender at the time of closing. Please note that the Bond has signature blocks for the Mayor, the City Clerk, and the City Treasurer.

Finally, we have attached the Closing Certificate for execution by you and the Mayor. Please review the Certificate for any inaccuracies and return the executed Certificate to our office.

Please call Emily Hammond, Lauren Baker or me if you have questions.

Best regards,

John P. Danos
