# URBAN REVITALIZATION PLAN

## CITY OF MARSHALLTOWN, IOWA
## MARSHALLTOWN URBAN REVITALIZATION AREA NO. 3

## AMENDED AND RESTATED, JUNE 11, 2024

## INTRODUCTION

The Urban Revitalization Act, Chapter 404 of the Code of Iowa, is intended to encourage development, redevelopment and revitalization within a designated area of a city by authorizing property tax development incentives to the private sector. Qualified real estate within a designated area may be eligible to receive a total or partial exemption from property taxes on improvements for a specified number of years, with the goal of providing communities with a long-term increase or stabilization in the local tax base by encouraging new construction which might not otherwise occur.

Section 404.1 of the Code of Iowa provides that a City Council may designate an area of the City as a revitalization area, if that area meets the following definition:

"An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety, or welfare."

"An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, or welfare in its present condition and use;

"An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use."

"An area which is appropriate as an economic development area as defined in Section 403.17 of the Code of Iowa."

"An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development including single or multifamily housing"; and

Section 404.2 of the Code of Iowa requires that a city prepare a plan to govern activities within the proposed revitalization area, and the balance of this document is intended to set out the elements of a plan that are mandated by state law.

A. DESCRIPTION OF THE AREA AND MAP

The revitalization area shall be known as the Marshalltown Urban Revitalization Area (the "Revitalization Area") and shall include the entire area within the corporate boundaries of the City as of May 1, 2024.

A map showing the real property to be included within the Revitalization Area is attached as Exhibit A.

B. DESIGNATION CRITERIA

In accordance with Section 404.1 of the Code of Iowa, the City Council of the City has made the following determinations with respect to the Revitalization Area:

1. The property situated in the Urban Revitalization Area is an area which, by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, deterioration of site or other improvements, and a combination of these and other factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public welfare in its present condition and use; and

2. The Revitalization Area is an area which is appropriate as an economic development area as defined in Section 403.17 of the Code of Iowa; and

3. The Revitalization Area is an area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development including single or multifamily housing; and

4. The rehabilitation, redevelopment, economic development and promotion of housing and residential and commercial development in the Revitalization Area is necessary in the interest of the public welfare of the residents of the City and the Revitalization Area substantially meets the criteria set forth in Section 404.1 of the Act.

C. OBJECTIVES

This plan is prepared in conformance with Section 404.2 of the Code of Iowa for the purpose of providing incentives and outlining procedures to enhance the potential for residential and commercial development in the Revitalization Area. Planning goals include revitalizing the area through blight alleviation, promotion of new construction on vacant land, promotion of in-fill of residential and commercial development on existing lots, rehabilitation of existing property, stabilizing and increasing the tax base, and providing overall aesthetic improvement.

D. PRESENT ZONING AND PROPOSED LAND USE

The property within the Revitalization Area is zoned for residential, commercial and industrial purposes. Improvement of existing properties, together with new and expanded development, are proposed in the Revitalization Area.

E. PROPOSALS FOR EXPANDING CITY SERVICES

The City proposes that, as it becomes financially feasible, the provision of municipal services to the Revitalization Area will be expanded and improved to meet the demands of new residential development.

F. ELIGIBLE IMPROVEMENTS AND EXEMPTIONS

Certain real property bearing Marshall County Property Tax Parcel Identification Numbers 8418-35-453-011 and 8418-35-378-028

*a. Exemption:* All qualified real estate assessed as commercial property and situated in Urban Revitalization Zone 2 is eligible to receive an exemption from taxation on 100% of the actual value added by the improvements.

*b. Minimum Assessment Agreement:* Pursuant to Section 404.3C of the Code of Iowa, property owners submitting applications on or after July 1, 2024 for Commercial Improvements must also enter into a written assessment agreement with the City and the Marshall County Assessor specifying a minimum actual value for the completed Commercial Improvements until a specified termination date and for the duration of the exemption period.

G. ACTUAL VALUE ADDED

Actual value added by improvements, as used in this plan, means the actual value added as of the first year for which the exemption was received. In order to be eligible for tax abatement for residential improvements and commercial improvements the increase in actual value of the property must be at least 10%.

All improvements, in order to be considered eligible, must be completed in conformance with all applicable regulations of the City of Marshalltown, Iowa and must be completed during the time the Revitalization Area is designated by ordinance as a revitalization area.

H. TIME FRAME

Eligibility for tax abatement under this plan will exist after the date of the adoption of the ordinance designating the Revitalization Area, until, in the opinion of the City Council, the desired level of revitalization has been attained or economic conditions are such that the continuation of the exemption granted would cease to be of benefit to the City, in which case the City Council

may repeal the ordinance, pursuant to Section 404.7 of the Code of Iowa. In the event the ordinance is repealed, all exemptions granted prior to such repeal shall continue until their expiration.

I. APPLICATION PROCEDURES

An application shall be filed for each new exemption claimed. The property owner must apply to the City for an exemption by February 1st of the assessment year for which the exemption is first claimed. The application shall contain, but not be limited to, the following information: the nature of the improvement, its cost, and the estimated or actual date of completion of the improvement.

J. APPROVAL OF APPLICATIONS

The City Council shall approve all applications submitted for completed projects if:

1. The project, as determined by the City Council, is in conformance with this plan;

2. The project is located within the Revitalization Area; and,

3. The improvements were made during the time the Revitalization Area was designated by ordinance as a revitalization area.

4. The property owner has submitted the appropriate application filing fee in accordance with the following fee schedule:

The filing fee for residential improvements hereunder for both single family residential improvements and multifamily residential improvements shall be $50 per residential unit, for example: for a single family home the filing fee is $50, the filing fee for a duplex is $100, the filing fee for a triplex is $150 and the filing fee for a fifty-unit multifamily building would be $2,500

The filing fee for commercial improvements hereunder shall be $50.

All approved applications shall be forwarded to the County Assessor for review, pursuant to Section 404.5 of the Code of Iowa. The County Assessor shall make a physical review of all properties with approved applications. The County Assessor shall determine the increase in actual value for tax purposes due to the improvements and notify the applicant of the determination, which may be appealed to the local board of review pursuant to Section 441.37 of the Code of Iowa. After the initial tax exemption is granted, the County Assessor shall continue to grant the tax exemption for the time period specified on the approved application. The tax exemptions for the succeeding years shall be granted without the owner(s) having to file an application for succeeding years.

K. OTHER SOURCES OF REVITALIZATION FUNDS

The City anticipates no federal or state grants or loans for improvements in the Revitalization Area at this time other than those of conventional lending institutions at normal

market rates. However, it is not the intention of the City to prohibit the use of other appropriate federal or state revitalization or incentive programs within the area.

L. RELOCATION PROVISIONS

The City does not anticipate the displacement or relocation of any persons, families, or businesses as a result of the improvements to be made in the Revitalization Area.

M. OWNERS OF PROPERTY AND ASSESSED VALUATION

The names and addresses of the owners of the property located within the Revitalization Area and the assessed valuation of such property is set forth on Exhibit B attached hereto.

N. REVITALIZATION AREA ALSO INCLUDED IN MARSHALLTOWN URBAN RENEWAL AREA

A portion of the real property in the Revitalization Area may also be included by the City an urban renewal area established pursuant to the Urban Renewal Act, Chapter 403 of the Code of Iowa. The City Council reserves the right to deny any application for tax abatement made pursuant to this Urban Revitalization Plan for the reason that the City Council has determined that the property for which the abatement is sought is involved in an urban renewal project of the City. Further, properties from which incremental property tax revenues have been pledged for the payment of bonds, notes, contracts or other urban renewal obligations of the City are ineligible for tax exemption under Section F of this Plan.
