

COLOR SCHEMES

MAIN STREET IOWA TECHNOTES

These paint pallets are arranged in suggested color combinations including coordinating awning fabrics. The schemes are intended to show various alternatives and a variety of options that can be used. While three colors are shown in each scheme, it is not necessary to use all three at once. These schemes are not all inclusive, but rather serve as representative examples.

Benjamin Moore brand paint and Sunbrella awning fabrics are shown for reference. Use these colors as a guide in selecting paint available from local suppliers and dealers.
