City Park and Recreational Trail Special Event Policy

The Special Event Application, along with fees and deposits, should be submitted at least four weeks in advance of the event.

It is the purpose of this policy to regulate special outdoor events held in Marshalltown parks, including the Linn Creek Recreational Trail, so that such events can be held with the safety and health of the participants in mind, the protection of public property considered, and the impact of the event on non-participating citizens minimized. This policy is also to insure that those who benefit from an event help defray the cost of the event.

It is the policy of the City that community events may generally use city property without any charge to the organizers. Events that are closed to the public will be charged a nominal fee. Refundable deposits are required for all events.

If a park shelter or any other fee-based amenity is being used as a part of the special event, the cost of that facility and its deposit would be charged in addition to the special event fees and deposits.

Outdoor events taking place in a city park include, but are not limited to, the following:

- ❑ Concert
- ❑ Walk/run/bike ride
- ❑ An activity where alcohol is served or sold
- ❑ An activity where food is sold
- ❑ An activity where an admission fee is charged
- ❑ Weddings or other ceremonies
- ❑ An activity with a planned attendance of over 150 people

Food Vendors: Vendors or organizers serving food at a public event are required by law to be licensed through the Iowa Department of Inspections and Appeals.

Sanitation: The city will provide trashcans and liners. Any event with a planned attendance of over 250 will require the organizer to provide a four-yard dumpster. Organizers of events along the trail may be required to provide trash bags or receptacles along the trail and haul it away.

Event Cleanup: The organizer is responsible to leave the area free of litter and debris. If a dumpster is required, all trash must be placed in the dumpster

Toilets: Portable toilets must be provided by the organizer based on planned attendance and other facilities available. Attendance of 250 or more requires a minimum of 2 additional toilets.

Alcohol: Council approval is required and is only for events at Riverview Park.

Selling alcohol requires adherence to all state laws and local regulations. Contact the City Clerk's office for procedures.

Public consumption of alcohol associated with a building rental is only authorized in the building.

Smoking: All events are regulated by the Iowa Smokefree Air act. No smoking is allowed in buildings, adjoining patios and sidewalks or any public restroom.

Electricity: Electrical requirements beyond those that exist will be discussed with the City Electrician. Additional work may need to be done at the organizer's expense after approval by the City Electrician.

Music: Music must end by 10:00 p.m., but may be extended to 11:00 p.m. at Riverview Park with special permission. Event may be closed down by the Police Department if noise level exceeds acceptable limits. Music or other amplified entertainment with vulgar or obscene language will not be permitted.

Security: Minimum security may be required upon recommendation of the Chief of Police. Event may be closed down by the Police Department if security is deemed inadequate.

Insurance: The applicant must provide a Certificate of General Liability Insurance upon request naming the City of Marshalltown as additional name insured. This requirement varies according to event type and anticipated number of participants.

Public Areas: Parks are public areas and the public has access to the park during operating hours, including the areas where events or ceremonies may be held.

Other Charges: Organizers of the event may be charged for any unusual expenses incurred by the Marshalltown Parks and Recreation Department resulting from the activity.

Application Review

When an application is submitted, affected city departments will review the application to determine the impact the event will have on the area, if other City services are required, and what additional licenses and permits are needed.
