

# JOIN US FOR AN OPEN HOUSE

## What is the Downtown Marshalltown Implementation Plan?

In 2019, the Downtown Marshalltown Master Plan was completed, which utilized public input to establish a vibrant, holistic vision for downtown. The second phase of the Master Plan is the Downtown Implementation Plan, which builds on and refines the recommended improvements laid out in the Master Plan. The types of proposed improvements include:

- » Conversion of Church St and Linn St from one-way to two-way
- » Downtown angled parking analysis
- » Streetscape enhancements (pavement, site furnishings, wayfinding, landscaping)
- » Pavement analysis (roadway, sidewalk, alleys)

## Why should I attend the open house?

The purpose of this open house is to present preliminary recommendations for the above improvements and collect public feedback. Participation at the virtual open house is recommended but the presentation materials will be made available for public, in-person viewing following the virtual open house. *Please check the project website for updates on this in-person opportunity.*

**Virtual Meeting**  
Wednesday, March 10  
6 - 7:30 P.M.

To participate in the open house, scan the QR code to the right or visit the open house website: [marshalltown-ia.gov/openhouse](http://marshalltown-ia.gov/openhouse)
