<u>South Court</u>	
11:00am Sporty Spikers vs Mega Servers	
12:00pm Cool Setters vs Blockers	

Youth Volleyball Rules

The rules have been developed in an attempt to keep the games fun, to encourage the use of newly developed skills, and to ensure some success for each player.

- Games will be played with 6 on the court. Extra players on the serving team must rotate in after each serve.

SERVES:

- Serves may be either under-hand or over-hand.
 - Each player will have 2 tries to get the ball over the net the first time they serve in the rotation
 - Players who can't get the serve over the net from the back line may move in front of the line. Coaches can determine what a fair distance is.
 - There is a limit of 5 successful serves in a row per server.
 - LET SERVES** – Let serves are played.
- Points are scored when the opposing team does not return the ball over the net and in bounds.
 - RALLY SCORING** – Rally scoring is used on all levels. The game is done when one team reaches **15 points**. Teams should switch sides and start again. Play as many games as time allows. Scores do not need to be reported.
 - 3rd and 4th Graders will use the volley lite ball as it will help them learn and be successful. 5th and 6th Graders will use the regular white volleyball.

Players/coaches are responsible for calling the balls in and out. Lines are good. Remember that good sportsmanship is an important part of athletics.
